All concurrent students must have a signed statement from the high school principal stating that they are eligible to satisfy requirements for graduation from high school (including curricular requirements for college admission) no later than the spring of the senior year, and must also provide a letter of recommendation from the school counselor and written permission from a parent or legal guardian. A high school student may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester credit hours. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester credit hours of college work.

Concurrent students who are receiving instruction at home or from an unaccredited high school must be 17 years of age and meet the requirements for high school seniors above or be 16 years of age and meet the requirements for high school juniors above.

Minimum ACT Subject Scores for Concurrent Enrollment in Courses in Subject Area

Concurrent students may only enroll in curricular areas where they have met the ACT assessment requirements for college placement as indicated below:

English	Reading	Mathematics	Science Reasoning
19	19	19	19

An ACT subject score of 19 in Reading is required for enrollment in any subject area other than English, Mathematics and Science Reasoning; institutional secondary testing may not be used for placement. Additionally, concurrent students may not enroll in remedial (zero-level) coursework offered by colleges and universities designed to remove high school deficiencies.

CONCURRENT ENROLLMENT OF HIGH SCHOOL STUDENTS
TECHNOLOGY PROGRAMS

As part of the State Regents' Cooperative Alliance Project, some higher education institutions, in partnership with Oklahoma's career technology centers, have been approved to allow high school students to enroll in technical programs and courses under separate admission standards noted below. High school students taking courses at technology centers that are part of approved college degree Associate in Applied Science degree programs, may take these courses for college credit if the students meet the admission requirements. **Note: These Concurrent Enrollment admission standards apply to students enrolled in a Cooperative Alliance Project-identified Associate of Applied Science degree program/ and not students enrolled in unrelated technology programs.**

Eleventh or twelfth grade students enrolled in an accredited high school or a student who are at least 16 years of age and receiving high-school-level instruction at home or from an unaccredited high school to be admitted to a college or university in The Oklahoma State System of Higher Education that offers technical AAS and certificate programs and enroll in technical courses only. Students must meet the following standards.

	<u>Option 1</u> ACT	<u>Option 2</u> ACT PLAN	<u>Option 3</u> High School GPA
Regional Universities	19	15	2.5
Community colleges	19	15	2.5

The required ACT score is the composite score without the writing component.

In addition to meeting the requirements above, students must provide a letter of support from the high school counselor and written permission from a parent or legal guardian. All other concurrent admission policy requirements remain in effect for technical students, including retention standards.
